MEDC | Michigan Breaks Top Ten For Economic Development Projects In Annual Governor's Cup Rankings

Site Selection magazine (one of the oldest and top-rated US publications covering global foreign direct investment, facility planning and economic development) released its 2018 Governor's Cup rankings of with the most economic development projects.

Qualified projects are those meeting one or more of Site Selection's criteria for inclusion in the Conway Projects Database: a minimum investment of \$1 million, creation of 20 or more new jobs or 20,000 square feet or more of new space.
